SKYHAWKS OPENS A NEW FRANCHISE IN SAN DIEGO!

San Diego – MARCH, 2013

Skyhawks Sports Academy is excited to announce their newest franchise owner, Barry Mendez, of San Diego, CA. Barry will begin offering Skyhawks sports programs in the greater San Diego area including Coronado & LaMesa.

Hailing from Seattle Barry Mendez has been named as the new San Diego franchise owner. With a penchant for sports, Barry discovered Skyhawks programs when he was six years old! As Barry grew and continued his participation in Skyhawks programs it was a natural progression to begin coaching for Skyhawks while putting himself through college. After college, Barry spent the next ten years climbing ranks within the IT Services industry in San Diego. Although he enjoyed the work Barry could never shake the feeling that something was missing. He began actively seeking an opportunity to take the skills he acquired in the business world and combine them with his passion and love for youth athletics. "It feels like I've almost come full circle" says Barry, "the opportunity to create the experiences I had as a kid with Skyhawks are so exciting to me!" In his "down" time, Barry can be found enjoying baseball, basketball, soccer, volleyball, track, cross country, kickboxing, yoga and cycling. Barry can be reached at [206-200-8327](tel:206-200-8327) or bmendez@skyhawkssports.com

"With a background in the services industry, Barry will deliver top quality programs to residents in San Diego," says Jason Frazier, President of the Skyhawks Franchise Group. "not to mention the long background he's had with Skyhawks. It was so amazing to hear that Barry had not only worked for Skyhawks as a coach, but that he attended Skyhawks programs when he was just a kid. Barry will have quite an advantage as he begins offering his programs in San Diego."
