SKYHAWKS OPENS A SECOND FRANCHISE IN NORTHERN CALIFORNIA!

San Carlos, CA – November, 2012

Skyhawks Sports Academy is proud to announce it has awarded a second Franchise territory to Brett Gardner of San Carlos, CA. In addition to the cities of San Carlos, Belmont, Half Moon Bay & Redwood City, Brett will begin offering Skyhawks sports programs in communities throughout Palo Alto, Burlingame, San Mateo and Menlo Park.

Brett Gardner has a rich background in marketing and has been involved in the early stages of several companies. But, she is a coach at heart, having coached both youth soccer and basketball for several years. She also continues to play sports in adult soccer and basketball leagues. In the little free time that she has, Brett loves running around with her husband and two children. She can be reached at bgardner@skyhawkssports.com or 415-999-5764.

“With the addition of a second Skyhawks territory to Brett Gardner, families on the Peninsula will have more opportunities for their children,” says Jason Frazier, President of Skyhawks Franchising. “Brett opened up her first territory only seven months ago, so this speaks volumes about her belief in the Skyhawks product. Brett’s a real go-getter and her enthusiasm for what she does will ultimately be a huge benefit for the residents of the Peninsula.”

About Skyhawks

Skyhawks has been a recognized name in delivering quality sports programs for children and young adults for nearly 30 years. We offer over 10 different sports programs for kids ages 3.5-12. Skyhawks believes that every child should experience the joy and benefits of athletics. All Skyhawks programs are focused on developing and building the skills and confidence of young athletes in a fun and safe environment.
