### SKYHAWKS OPENS ITS SECOND FRANCHISE IN MICHIGAN!

Detroit – May, 2013

**Skyhawks Sports Academy is pleased to announce its second franchise owner in the state of Michigan, J.P. Grondin, of Detroit. J.P. will begin offering Skyhawks sports programs in the suburbs North of Detroit this fall.**

A Midwest native, born in Detroit, J.P. is the epitome of a sports fanatic, rooting for not only the Red Wings, Tigers and Pistons, but even the Lions! In addition to being a spectator, J.P. also played football, hockey and baseball throughout his high school career and then continued on with his love of hockey playing four more years at Eastern Michigan University. After graduating with a B.S. in Hotel and Restaurant Management, J.P. worked in multiple restaurants before working for AMC Theatres. When he's not busy attending Comic Con conventions, J.P. can be found chasing down his boisterous 5 year old with his athletic super powers or creating a good old-fashioned Detroit-Style square pizza with lots of pepperoni and olives for his family. J.P. can be reached at 248-761-9179 or [jpgrondin@skyhawkssports.com](mailto:jpgrondin@skyhawkssports.com)

“While moving from the restaurant industry to sports camps may not seem like a natural progression, the fact that J.P. comes from a background working with the public will be a huge benefit for him” says Jason Frazier, President of the Skyhawks Franchise Group. “Skyhawks isn’t just about running sports programs, it’s about relationships. Skyhawks prides itself on the relationships it has with community organizations as well as the relationships with parents and participants. J.P’s background and his love of sports will be a great fit for the Detroit area.”

#### About Skyhawks

Skyhawks has been a recognized name in delivering quality sports programs for children and young adults for more than 30 years. We offer over 10 different sports programs for kids ages 3.5-12. Skyhawks believes that every child should experience the joy and benefits of athletics. All Skyhawks programs are focused on developing and building the skills and confidence of young athletes in a fun and safe environment.
